

FORT RECOVERY FRIENDS OF THE ARTS
P.O. Box 125
Fort Recovery, Ohio 45846

Dear Fort Recovery Friend,

Just take a look at the schedule below and you will see that it is going to be an enjoyable and exciting summer at Van Trees Park as we celebrate our **19th Year** of providing outstanding summer concerts. The Friends of the Arts have been able to put together this great schedule because of the generosity of the individuals, organizations, and businesses of our community!!

At this time we are again appealing to your generosity to help support this program. No contribution is too small. Last year we received individual donations ranging from \$1.00 to \$500. It takes all of these, plus the support of our local businesses and organizations, to enable us to put together the top quality programs we present in the summertime. Visitors from other communities marvel at the level of entertainment presented here week after week. Of course we tell them that, **“Anything is possible when the people of Fort Recovery put their minds to it!”**

Soon we will begin the process of compiling our 2010 program brochure. Advertisements and blocks of support in the brochure will be sold to businesses or organizations that wish to support the *Friends of the Arts* efforts. Members of the **Psi Iota Xi Sorority** will be contacting businesses in February who had ads last year.

Thank you, and join us in our **19th anniversary Summer Concert Series** in Van Trees Park !!
