

**VILLAGE OF FORT RECOVERY
ORDINANCE NO. 2015-12**

AN ORDINANCE TO AMEND THE “VILLAGE OF FORT RECOVERY INCOME TAX ORDINANCE NO. 1984-10” TO ACHIEVE COMPLIANCE WITH THE PROVISIONS AND LIMITATIONS OF AMENDED SUBSTITUTED HOUSE BILL 5 PASSED BY THE 130TH GENERAL ASSEMBLY AND SIGNED INTO LAW BY GOVERNOR KASICH AND TO DECLARE AN EFFECTIVE DATE.

WHEREAS, Article XVIII, section 3 of the Ohio Constitution provides that “municipalities shall have authority to exercise all powers of local self-government,” and the municipal taxing power is one of such powers of local self-government delegated by the people of the state of Ohio to the people of municipalities; and

WHEREAS, Article XIII, section 6 of the Ohio Constitution provides that the General Assembly may restrict a municipality’s power of taxation to the extent necessary to prevent abuse of such power, and Article XVIII, section 13 of the Ohio Constitution states that “laws may be passed to limit the powers of municipalities to levy taxes and incur debts for local purposes;” and

WHEREAS, the General Assembly has determined that it is necessary and appropriate to comprehensively amend Chapter 718 of the Ohio Revised Code (“ORC Chapter 718”), which sets forth statutory requirements for municipal income tax codes in Ohio; and

WHEREAS, the General Assembly enacted and Governor Kasich signed into law Amended Substituted House Bill 5 (“Am Sub H.B. 5”) in December 2014, which comprehensively amends ORC Chapter 718 and mandates that municipal income tax codes be amended by January 1, 2016, such that any municipal income or withholding tax is “levied in accordance with the provisions and limitations specified in [Chapter 718]”; and

WHEREAS, upon a detailed review of ORC Chapter 718, as amended by Am Sub H.B. 5, and this Ordinance, the Council for the Village of Fort Recovery, Ohio (“Council”) finds and determines that this Ordinance enacts the amendments required by and is in accordance with the provisions and limitations specified in ORC Chapter 718, as amended by Am Sub H.B. 5.; and

WHEREAS, Council also finds and determines that the constitutionality of certain provisions of ORC Chapter 718, as amended by Am Sub H.B. 5, have been questioned in recent decisions of the Ohio Supreme Court, but these provisions must be included in the municipal income tax code to be “levied in accordance with the provisions and limitations specified in [Chapter 718]” and thus reluctantly are adopted by this Council but are disclaimed to the extent they are unlawful or unconstitutional.

NOW, THEREFORE, BE IT ORDAINED by the Council, a majority of all members elected thereto concurring that:

SECTION ONE

The Village of Fort Recovery Income Tax Ordinance No. 1984-10 be amended in accordance with the document entitled “Village of Fort Recovery Municipal Income Tax Ordinance,” which is attached hereto as Exhibit A and incorporated herein by reference.

SECTION TWO

This Ordinance shall take effect and be in force from and after January 1, 2016.

The tax on income and the withholding tax established by this Ordinance are deemed to be levied in accordance with, and to be consistent with, the provisions and limitations of Ohio Revised Code (“ORC”) Chapter 718. This Ordinance is deemed to incorporate the provisions of ORC Chapter 718.
- (B) The tax is an annual tax levied on the income of every person residing in, earning, or receiving income in the Municipality, and shall be measured by municipal taxable income. The Municipality shall tax income at a uniform rate. The tax is levied on Municipal Taxable Income, as defined herein.

SECTION 1.3 ALLOCATION OF FUNDS

The funds collected under the provisions of this Ordinance shall be deposited into the general fund of the Municipality (“General Fund”) and shall be allocated and disbursed by the council of the Municipality (“Council”).

SECTION 1.4 STATEMENT OF PROCEDURAL HISTORY; STATE-MANDATED CHANGES TO MUNICIPAL INCOME TAX

- (A) Significant and wide-ranging amendments to ORC Chapter 718 were enacted by Amended Substituted House Bill 5 (“Am Sub H.B. 5”), passed by the 130th General Assembly, and signed by Governor Kasich on December 19, 2014. Am Sub H.B. 5 requires municipal corporations to conform to and adopt the provisions of ORC Chapter 718 in order to have the authority to impose, enforce, administer and collect a municipal income tax.
- (B) As mandated by Am Sub H.B. 5, this Ordinance, effective January 1, 2016, comprehensively amends the Village of Fort Recovery Income Tax Ordinance No. 1984-10 to be in accordance with the provisions and limitations of ORC Chapter 718 to allow the Municipality to continue to impose, enforce, administer and collect a municipal income tax.

SECTION 2 EFFECTIVE DATE

- (A) This Ordinance and corresponding changes to ORC Chapter 718, apply to municipal taxable years beginning on or after January 1, 2016. All provisions of the Village of Fort Recovery Income Tax Ordinance No. 1984-10 apply to the taxable year 2015 and prior taxable years.
- (B) This Ordinance does not repeal the existing sections for any taxable year prior to 2016, but rather amends the Village of Fort Recovery Income Tax Ordinance No. 1984-10 for taxable years beginning 2016. The Municipality shall continue to enforce, administer and collect the income tax of the Municipality under ordinances and resolutions of the Municipality and ORC Chapter 718 as they existed before January 1, 2016.

SECTION 3 DEFINITIONS

Any term used in this Ordinance that is not defined in this Ordinance has the same meaning as when used in a comparable context in laws of the United States relating to federal income taxation or in Title LVII of the ORC, unless a different meaning is clearly required. If a term used in this Ordinance that is not defined in this Ordinance is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII of the ORC and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall control over the use of the term in Title LVII of the ORC. For purposes of this section, the singular shall include the plural, and the masculine shall include the feminine and the gender-neutral.

As used in this ordinance:

- (1) **"ADJUSTED FEDERAL TAXABLE INCOME,"** for a person required to file as a C corporation, or for a person that has elected to be taxed as a C corporation under division 23(D) of this section, means a C corporation's federal taxable income before net operating losses and special deductions as determined under the Internal Revenue Code, adjusted as follows:
 - (A) Deduct intangible income to the extent included in federal taxable income. The deduction shall be allowed regardless of whether the intangible income relates to assets used in a trade or business assets held for the production of income.
 - (B) Add an amount equal to five percent (5%) of intangible income deducted under division (1)(A) of this section, but excluding that portion of intangible income directly related to the sale, exchange, or other disposition of property described in section 1221 of the Internal Revenue Code;
 - (C) Add any losses allowed as a deduction in the computation of federal taxable income if the losses directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code;
 - (D) (i) Except as provided in division (1)(D)(ii) of this section, deduct income and gain included in federal taxable income to the extent the income and gain directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code;
(ii) Division (1)(D)(i) of this section does not apply to the extent the income or gain is income or gain described in section 1245 or 1250 of the Internal Revenue Code.
 - (E) Add taxes on or measured by net income allowed as a deduction in the computation of federal taxable income;
 - (F) In the case of a real estate investment trust or regulated investment company, add all amounts with respect to dividends to, distributions to, or amounts set aside for or credited to the benefit of investors and allowed as a deduction in the computation of federal taxable income;

 - (H) (i) Except as limited by divisions (1)(H)(ii), (iii) and (iv) of this section, deduct any net operating loss incurred by the person in a taxable year beginning on or after January 1, 2017. The amount of such net operating loss shall be deducted from net profit that is reduced by exempt income to the extent necessary to reduce municipal taxable income to zero, with any remaining unused portion of the net operating loss carried forward to not more than five (5) consecutive taxable years following the taxable year in which the loss was incurred, but in no case for more years than necessary for the deduction to be fully utilized.
(ii) No person shall use the deduction allowed by division (1)(H)(i) of this section to offset qualifying wages.
(iii) (a) For taxable years beginning in 2018, 2019, 2020, 2021, or 2022, a person may not deduct, for purposes of an income tax levied by a municipal corporation that levies an income tax before January 1, 2016, more than fifty percent (50%) of the amount of the deduction otherwise allowed by division (1)(H)(i) of this section.

- (b) For taxable years beginning in 2023 or thereafter, a person may deduct, for purposes of an income tax levied by a municipal corporation that levies an income tax before January 1, 2016, the full amount allowed by division (1)(H)(i) of this section.
 - (iv) Any pre-2017 net operating loss carryforward deduction that is available must be utilized before a taxpayer may deduct any amount pursuant to division (1)(H) of this section.
 - (v) Nothing in division (1)(H)(iii)(a) of this section precludes a person from carrying forward, for use with respect to any return filed for a taxable year beginning after 2018, any amount of net operating loss that was not fully utilized by operation of division (1)(H)(iii)(a) of this section. To the extent that an amount of net operating loss that was not fully utilized in one or more taxable years by operation of division (1)(H)(iii)(a) of this section is carried forward for use with respect to a return filed for a taxable year beginning in 2019, 2020, 2021, or 2022, the limitation described in division (1)(H)(iii)(a) of this section shall apply to the amount carried forward.

The dissolution of an employer, agent of an employer, or other payer does not discharge the officer's or employee's liability for a failure of the employer, agent of an employer, or other payer to file returns or pay any tax due.
- (J) An employer is required to deduct and withhold municipal income tax on tips and gratuities received by the employer's employees and constituting qualifying wages only to the extent that the tips and gratuities are under the employer's control. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location or worksite location, "principal place of work" means the location in this state at which the employee spends the greatest number of days in a calendar year performing services for or on behalf of the employee's employer.
 - (a) If there is not a single municipal corporation in which the employee spent the "greatest number of days in a calendar year" performing services for or on behalf of the employer, but instead there are two (2) or more municipal corporations in which the employee spent an identical number of days that is greater than the number of days the employee spent in any other municipal corporation, the employer shall allocate any of the employee's qualifying wages subject to division (B)(1)(a) of this section among those two (2) or more municipal corporations. The allocation shall be made using any fair and reasonable method, including, but not limited to, an equal allocation among such municipal

corporations or an allocation based upon the time spent or sales made by the employee in each such municipal corporation. A municipal corporation to which qualifying wages are allocated under this division shall be the employee's "principal place of work" with respect to those qualifying wages for the purposes of this section.

- (b) For the purposes of this division, the location at which an employee spends a particular day shall be deemed in accordance with division (B)(2) of this section.
- (B) (1) Subject to divisions (C), (E), (F), and (G) of this section, an employer is not required to withhold municipal income tax on qualifying wages paid to an employee for the performance of personal services in the Municipality if the employee performed such services in the Municipality on twenty (20) or fewer days in a calendar year, unless one of the following conditions applies:

For the purposes of this division, "presumed worksite location" means a construction site or other temporary worksite in this state at which the employer provides services that can reasonably be expected by the employer to last more than twenty (20) days in a calendar year. Services can "reasonably be expected by the employer to last more than twenty days" if either of the following applies at the time the services commence:
 - (i) The nature of the services is such that it will require more than twenty (20) days of actual services to complete the services;
 - (ii) The agreement between the employer and its customer to perform services at a location requires the employer to perform actual services at the location for more than twenty (20) days.
 - (c) The employee is a resident of the Municipality and has requested that the employer withhold tax from the employee's qualifying wages as provided in section 5.1 of this Ordinance.

- (2) For the purposes of division (B)(1) of this section, an employee shall be considered to have spent a day performing services in the Municipality only if the employee spent more time performing services for or on behalf of the employer in the Municipality than in any other municipal corporation on that day. For the purposes of determining the amount of time an employee spent in a particular location, the time spent performing one or more of the following activities shall be considered to have been spent at the employee's principal place of work:
- (a) Traveling to the location at which the employee will first perform services for the employer for the day;
 - (b) Traveling from a location at which the employee was performing services for the employer to any other location;
 - (c) Traveling from any location to another location in order to pick up or load, for the purpose of transportation or delivery, property that has been purchased, sold, assembled, fabricated, repaired, refurbished, processed, remanufactured, or improved by the employee's employer;
 - (d) Transporting or delivering property described in division (B)(2)(c) of this section, provided that, upon delivery of the property, the employee does not temporarily or permanently affix the property to real estate owned, used, or controlled by a person other than the employee's employer;
 - (e) Traveling from the location at which the employee makes the employee's final delivery or pick-up for the day to either the employee's principal place of work or a location at which the employee will not perform services for the employer.
- (C) If the principal place of work of an employee is located in a municipal corporation that imposes an income tax in accordance with ORC Chapter 718, the exception from withholding requirements described in division (B)(1) of this section shall apply only if, with respect to the employee's qualifying wages described in that division, the employer withholds and remits tax on such qualifying wages to the municipal corporation in which the employee's principal place of work is located.
- (D) (1) Except as provided in division (D)(2) of this section, if, during a calendar year, the number of

days an employee spends performing personal services in the Municipality exceeds the twenty-day (20) threshold described in division (B)(1) of this section, the employer shall withhold and remit tax to the Municipality for any subsequent days in that calendar year on which the employer pays qualifying wages to the employee for personal services performed in the Municipality.

 - (3) If an employer makes the election described in division (D)(2) of this section, the taxes withheld and paid by such an employer during those first twenty (20) days to the municipal corporation in which the employee's principal place of work is located are refundable to the employee.
- (E) Without regard to the number of days in a calendar year on which an employee performs personal services in any municipal corporation, an employer shall withhold municipal income tax on all of the employee's qualifying wages for a taxable year and remit that tax only to the municipal corporation in which the employer's fixed location is located if the employer qualifies as a small employer as defined in section 3(43) of this Ordinance. To determine whether an employer qualifies as a small employer for a taxable year, the Tax Administrator may require the employer to provide the Tax Administrator with the employer's federal income tax return for the preceding taxable year.
- (F) Divisions (B)(1) and (D) of this section shall not apply to the extent that a Tax Administrator and an employer enter into an agreement regarding the manner in which the employer shall comply with the requirements of section 5.1 of this Ordinance.

SECTION 6.2 NET PROFIT; INCOME SUBJECT TO NET PROFIT TAX; ALTERNATIVE APPORTIONMENT

This section applies to any taxpayer engaged in a business or profession in the Municipality unless the taxpayer is an individual who resides in the Municipality or the taxpayer is an electric company, combined company, or telephone company that is subject to and required to file reports under ORC Chapter 5745.

- (A) Net profit from a business or profession conducted both within and outside the boundaries of the Municipality shall be considered as having a taxable situs in the Municipality for purposes of municipal income taxation in the same proportion as the average ratio of the following:
- (1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the Municipality during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated. As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight.
 - (2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in the Municipality to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under section 5.2 of this Ordinance.
 - (3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the Municipality to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.
- (B) (1) If the apportionment factors described in division (A) of this section do not fairly represent the extent of a taxpayer's business activity in the Municipality, the taxpayer may request, or the Tax Administrator of the Municipality may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:
- (a) Separate accounting;
 - (b) The exclusion of one or more of the factors;
 - (c) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the Municipality;
 - (d) A modification of one or more of the factors.
- (2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the Tax Administrator denies the request in an assessment issued within the period prescribed by division (A) of section 19 of this Ordinance.
- (3) The Tax Administrator may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by section 19(A) of this Ordinance.
- (4) Nothing in division (B) of this section nullifies or otherwise affects any alternative apportionment arrangement approved by the Tax Administrator or otherwise agreed upon by both the Tax Administrator and taxpayer before January 1, 2016.
- (C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:
- (1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:
 - (a) The employer;
 - (b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;
 - (c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient.
 - (2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;
 - (3) Any other location, if the Tax Administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the Tax Administrator makes such a determination, the employer may dispute

the determination by establishing, by a preponderance of the evidence, that the Tax Administrator's determination was unreasonable.

- (D) For the purposes of division (A)(3) of this section, receipts from sales and rentals made and services performed shall be situated to a municipal corporation as follows:
- (1) Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation in which the sale originated. For the purposes of this division, a sale of property originates in a municipal corporation if, regardless of where title passes, the property meets any of the following criteria:
 - (a) The property is shipped to or delivered within the municipal corporation from a stock of goods located within the municipal corporation.
 - (b) The property is delivered within the municipal corporation from a location outside the municipal corporation, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion.
 - (c) The property is shipped from a place within the municipal corporation to purchasers outside the municipal corporation, provided that the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.
 - (2) Gross receipts from the sale of services shall be situated to the municipal corporation to the extent that such services are performed in the municipal corporation.
 - (3) To the extent included in income, gross receipts from the sale of real property located in the municipal corporation shall be situated to the municipal corporation.
 - (4) To the extent included in income, gross receipts from rents and royalties from real property located in the municipal corporation shall be situated to the municipal corporation.
 - (5) Gross receipts from rents and royalties from tangible personal property shall be situated to the municipal corporation based upon the extent to which the tangible personal property is used in the municipal corporation.
- (E) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual or by a disregarded entity owned by the individual shall be subject to tax only by the municipal corporation in which the property generating the net profit is located and the municipal corporation in which the individual taxpayer that receives the net profit resides.
A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this division to the municipal corporation in which the property is located.
- (F) (1) Except as provided in division (F)(2) of this section, commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to a municipal corporation based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the municipal corporation to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.
- (2) An individual who is a resident of a municipal corporation that imposes a municipal income tax shall report the individual's net profit from all real estate activity on the individual's annual tax return for that municipal corporation. The individual may claim a credit for taxes the individual paid on such net profit to another municipal corporation to the extent that such credit is allowed under section 8.1 of this Ordinance.
- (G) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (11)(L) and (34)(A)(iv) of section 3 of this Ordinance, by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.
This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to a municipal corporation under this section.
- (H) When calculating the ratios described in division (A) of this section for the purposes of that

division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity.

- (1) "Affiliated group of corporations" means an affiliated group as defined in section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.
 - (2) "Consolidated federal income tax return" means a consolidated return filed for federal income tax purposes pursuant to section 1501 of the Internal Revenue Code.
 - (3) "Consolidated federal taxable income" means the consolidated taxable income of an affiliated group of corporations, as computed for the purposes of filing a consolidated federal income tax return, before consideration of net operating losses or special deductions. "Consolidated federal taxable income" does not include income or loss of an incumbent local exchange carrier that is excluded from the affiliated group under division (A)(1) of this section.
 - (4) "Incumbent local exchange carrier" has the same meaning as in ORC 4927.01.
 - (5) "Local exchange telephone service" has the same meaning as in ORC 5727.01.
- (B) (1) For taxable years beginning on or after January 1, 2016, a taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated municipal income tax return for a taxable year if at least one member of the affiliated group of corporations is subject to the municipal income tax in that taxable year and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year.
- (a) The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law.
 - (b) The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated municipal income tax returns under division (B)(2) of this section; or
 - (c) A taxpayer receives permission from the Tax Administrator. The Tax Administrator shall approve such a request for good cause shown.
- (2) An election to discontinue filing consolidated municipal income tax returns under this section must be made in the first year following the last year of a five-year consolidated municipal income tax return election period in effect under division (B)(1) of this section. The election to discontinue filing a consolidated municipal income tax return is binding for a five-year period beginning with the first taxable year of the election.
- (3) An election made under division (B)(1) or (2) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.
- (C) A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated municipal income tax return for that taxable year if the Tax Administrator determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm's length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to the municipal corporation. A taxpayer that is required to file a consolidated municipal income tax return for a taxable year shall file a consolidated municipal income tax return for all subsequent taxable years unless the taxpayer requests and receives written permission from the Tax Administrator to file a separate return or a taxpayer has experienced a change in circumstances.
- (D) A taxpayer shall prepare a consolidated municipal income tax return in the same manner as is required under the United States Department of Treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.
- (E) (1) Except as otherwise provided in divisions (E)(2), (3), and (4) of this section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in section 3(1) of this Ordinance, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.

- (2) No corporation filing a consolidated municipal income tax return shall make any adjustment otherwise required under section 3(1) of this Ordinance to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.
- (3) If the net profit or loss of a pass-through entity having at least eighty percent (80%) of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated municipal income tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:
 - (a) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in section 6.2 of this Ordinance, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.
 - (b) Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in section 6.2 of this Ordinance, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group.
- (4) If the net profit or loss of a pass-through entity having less than eighty percent (80%) of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, all of the following shall apply:
 - (a) The corporation filing the consolidated municipal income tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in section 6.2 of this Ordinance, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation;
 - (b) The pass-through entity shall be subject to municipal income taxation as a separate taxpayer in accordance with this Ordinance on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.
- (F) Corporations filing a consolidated municipal income tax return shall make the computations required under section 6.2 of this Ordinance by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears.
- (G) Each corporation filing a consolidated municipal income tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts imposed by a municipal corporation in accordance with this Ordinance on the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group.
- (H) Corporations and their affiliates that made an election or entered into an agreement with a municipal corporation before January 1, 2016, to file a consolidated or combined tax return with such municipal corporation may continue to file consolidated or combined tax returns in accordance with such election or agreement for taxable years beginning on and after 01/01/16.

- (a) Taxes withheld from qualifying wages shall be considered paid to the Municipality for which the taxes were withheld in equal amounts on each payment date. If the taxpayer establishes the dates on which all amounts were actually withheld, the amounts withheld shall be considered as paid on the dates on which the amounts were actually withheld.
 - (b) An overpayment of tax applied as a credit to a subsequent taxable year is deemed to be paid on the date of the postmark stamped on the cover in which the payment is mailed or, if the payment is made by electronic funds transfer, the date the payment is submitted. As used in this division, "date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.
 - (c) A taxpayer having a taxable year less than twelve (12) months shall make a declaration under the rules prescribed by the Tax Administrator.

- (D) (1) In the case of any underpayment of any portion of a tax liability, penalty and interest may be imposed pursuant to section 10 of this Ordinance upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (E) of this section. The amount of the underpayment shall be determined as follows:
- (a) For the first payment of estimated taxes each year, twenty-two and one-half percent (22.5%) of the tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - (b) For the second payment of estimated taxes each year, forty-five percent (45%) of the tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - (c) For the third payment of estimated taxes each year, sixty-seven and one-half percent (67.5%) of the tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - (d) For the fourth payment of estimated taxes each year, ninety percent (90%) of the tax liability, less the amount of taxes paid by the date prescribed for that payment.
- (2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.
- (E) An underpayment of any portion of tax liability determined under division (D) of this section shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:
- (1) The amount of estimated taxes that were paid equals at least ninety percent (90%) of the tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.
 - (2) The amount of estimated taxes that were paid equals at least one hundred percent (100%) of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve (12) months and the taxpayer filed a return with the Municipality under section 9.1 of this Ordinance for that year.
 - (3) The taxpayer is an individual who resides in the Municipality but was not domiciled there on the first day of January of the calendar year that includes the first day of the taxable year.
- (F) The Tax Administrator may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors.

SECTION 8.1 CREDIT FOR TAX PAID TO ANOTHER MUNICIPALITY OR INDIANA COUNTY

income to the extent such income is taxed under this Ordinance, in an amount equal to the amount of income tax paid to such other municipal corporation, provided that the credit shall not exceed the amount of tax imposed by this Ordinance.

- (B) Every individual taxpayer residing in this Municipality, who receives net profits, qualifying wages, commissions, or other taxable income for work done or services performed or rendered in the state of Indiana, and who is liable and has paid tax on such income to a county in Indiana, shall be allowed a credit against the tax imposed by this Ordinance on the same income to the extent such income is taxed under this Ordinance, in an amount equal to the amount of income tax paid to such Indiana county, provided that the credit shall not exceed the amount of tax imposed by this Ordinance.
- (C) Every individual taxpayer residing in this Municipality who owns, either directly or indirectly, a pass-through entity that is liable and has paid an income tax to the Municipality, other municipal corporations, or counties in Indiana, shall be allowed a credit against the tax imposed by this Ordinance on the taxpayer's distributive share of the income of the pass-through entity in an amount equal to the amount of income tax paid by the pass-through entity to the Municipality, other municipal corporations and counties in Indiana, provided that the credit shall not exceed the amount of tax imposed by this Ordinance.
- (D) To receive a credit under divisions (A)-(C) of this section 8.1, a taxpayer must provide to the Tax Administrator documentation substantiating such credit. The Tax Administrator may disallow any credit that cannot be substantiated.

SECTION 8.2 REFUNDABLE CREDIT FOR QUALIFYING LOSS

- (A) As used in this section:
 - (1) "Nonqualified deferred compensation plan" means a compensation plan described in section 3121(v)(2)(C) of the Internal Revenue Code.
 - (2) (a) Except as provided in division (A)(2)(b) of this section, "qualifying loss" means the excess, if any, of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan over the total amount of income the taxpayer has recognized for federal income tax purposes for all taxable years on a cumulative basis as compensation with respect to the taxpayer's receipt of money and property attributable to distributions in connection with the nonqualified deferred compensation plan.
 - (b) If, for one or more taxable years, the taxpayer has not paid to one or more municipal corporations income tax imposed on the entire amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan, then the "qualifying loss" is the product of the amount resulting from the calculation described in division (A)(2)(a) of this section computed without regard to division (A)(2)(b) of this section and a fraction the numerator of which is the portion of such compensation on which the taxpayer has paid income tax to one or more municipal corporations and the denominator of which is the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan.
 - (c) With respect to a nonqualified deferred compensation plan, the taxpayer sustains a qualifying loss only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to that nonqualified deferred compensation plan.
- (3) "Qualifying tax rate" means the applicable tax rate for the taxable year for the which the taxpayer paid income tax to a municipal corporation with respect to any portion of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan. If different tax rates applied for different taxable years, then the "qualifying tax rate" is a weighted average of those different tax rates. The weighted average shall be based upon the tax paid to the municipal corporation each year with respect to the nonqualified deferred compensation plan.

- (B) (1) Except as provided in division (D) of this section, a refundable credit shall be allowed against the income tax imposed by a municipal corporation for each qualifying loss sustained by a taxpayer during the taxable year. The amount of the credit shall be equal to the product of the qualifying loss and the qualifying tax rate.
- (2) A taxpayer shall claim the credit allowed under this section from each municipal corporation to which the taxpayer paid municipal income tax with respect to the nonqualified deferred compensation plan in one or more taxable years.
- (3) If a taxpayer has paid tax to more than one municipal corporation with respect to the nonqualified deferred compensation plan, the amount of the credit that a taxpayer may claim from each municipal corporation shall be calculated on each municipal corporation's proportionate share of the total municipal corporation income tax paid by the taxpayer to all municipal corporations with respect to the nonqualified deferred compensation plan.
- (4) In no case shall the amount of the credit allowed under this section exceed the cumulative income tax that a taxpayer has paid to a municipal corporation for all taxable years with respect to the nonqualified deferred compensation plan.
- (C) (1) For purposes of this section, municipal income tax that has been withheld with respect to a nonqualified deferred compensation plan shall be considered to have been paid by the taxpayer with respect to the nonqualified deferred compensation plan.
- (2) Any municipal income tax that has been refunded or otherwise credited for the benefit of the taxpayer with respect to a nonqualified deferred compensation plan shall not be considered to have been paid to the municipal corporation by the taxpayer.
- (D) The credit allowed under this section is allowed only to the extent the taxpayer's qualifying loss is attributable to:
 - (1) The insolvency or bankruptcy of the employer who had established the nonqualified deferred compensation plan; or
 - (2) The employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified deferred compensation.

SECTION 8.4 CREDIT FOR TAX BEYOND STATUTE FOR OBTAINING REFUND

- (A) Income tax that has been deposited or paid to the Municipality, but should have been deposited or paid to another municipal corporation, is allowable by the Municipality as a refund, but is subject to the three-year limitation on refunds as provided in section 9.6 of this Ordinance.
- (B) Income tax that should have been deposited or paid to the Municipality, but was deposited or paid to another municipal corporation, shall be subject to collection and recovery by the Municipality. To the extent a refund of such tax or withholding is barred by the limitation on refunds as provided in section 9.6 of this Ordinance, the Municipality will allow a non-refundable credit equal to the tax or withholding paid to the other municipality against the income tax the Municipality claims is due. If the Municipality's tax rate is higher, the tax representing the net difference of the tax rates is also subject to collection by the Municipality, along with any penalty and interest accruing during the period of nonpayment.
- (C) No carryforward of credit will be permitted when the overpayment is beyond the three-year limitation for refunding of same as provided in section 9.6 of this Ordinance.
- (D) Nothing in this section requires the Municipality to allow credit for tax paid to another municipal corporation if the Municipality has reduced credit for tax paid to another municipal corporation. Section 8.1 of this Ordinance regarding any limitation on credit shall prevail.

SECTION 9 ANNUAL RETURN

SECTION 9.1 RETURN AND PAYMENT OF TAX

- (A) (1) An annual return with respect to the income tax levied on Municipal Taxable Income by the Municipality shall be completed and filed by every taxpayer for any taxable year for which the taxpayer is subject to the tax, regardless of whether or not income tax is due.
- (2) The Tax Administrator shall accept on behalf of all nonresident individual taxpayers a return filed by an employer, agent of an employer, or other payer located in the Municipality under section 5.1(C) of this Ordinance when the nonresident individual taxpayer's sole income subject to the tax is the qualifying wages reported by the employer, agent of an employer, or other payer, and no additional tax is due to the Municipality.
- (3) All resident individual taxpayers, eighteen (18) years of age and older, shall file an annual municipal income tax return with the Municipality, regardless of income or liability.
- (B) If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.
- (C) If an individual is unable to complete and file a return or notice required by the Municipality in accordance with this Ordinance, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual. Such duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the duly authorized agent, guardian, conservator, fiduciary, or other person.
- (D) Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust. Such fiduciary shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the fiduciary.
- (E) The Municipality shall not deny spouses the ability to file a joint return.
- (F) (1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.
- (2) A taxpayer who is an individual is required to include, with each annual return, amended return, or request for refund required under this section, copies of only the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040; and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.
- (3) A taxpayer that is not an individual is required to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.
- (4) A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio Business Gateway or in some other manner shall either mail the documents required under this division to the Tax Administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio Business Gateway or a portal provided by Municipality. The department of taxation shall publish a method of electronically submitting the documents required under this division through the Ohio Business Gateway on or before January 1, 2016. The department shall transmit all

documents submitted electronically under this division to the appropriate Tax Administrator.

- (5) After a taxpayer files a tax return, the Tax Administrator shall request, and the taxpayer shall provide, any information, statements, or documents required by the Municipality to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division (F) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the Tax Administrator.
 - (6) Any other documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses, or other pertinent factors on the return shall also be included to avoid delay in processing, or disallowance by the Tax Administrator of undocumented credits or losses.
- (G) (1) (a) Except as otherwise provided in this Ordinance, each individual income tax return required to be filed under this section shall be completed and filed as required by the Tax Administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of ORC 5747.08. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the Municipality or Tax Administrator.
- (b) Except as otherwise provided in this Ordinance, each annual net profit income tax return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the tax administrator on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year or period. The taxpayer shall complete and file the return or notice on forms prescribed by the tax administrator or on generic forms, together with remittance made payable to the Municipality or Tax Administrator.
- (c) In the case of individual income tax return required to be filed by an individual, and net profit income tax return required to be filed by a taxpayer who is not an individual, no remittance is required if the amount shown to be due is ten dollars (\$10) or less.
- (2) If the Tax Administrator considers it necessary in order to ensure the payment of the tax imposed by the Municipality in accordance with this Ordinance, the Tax Administrator may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.
- (3) With respect to taxpayers to whom section 9.2 of this Ordinance applies, to the extent that any provision in this division conflicts with any provision in section 9.2 of this Ordinance, the provision in section 9.2 of this Ordinance prevails.
- (H) (1) For taxable years beginning January 1, 2016, the Municipality shall not require a taxpayer to remit tax with respect to net profits if the amount due is less than ten dollars (\$10.)
- (2) Any taxpayer not required to remit tax to the Municipality for a taxable year pursuant to division (H)(1) of this section shall file with the Municipality an annual net profit return under divisions (F)(3) and (4) of this section.
- (I) This division shall not apply to payments required to be made under section 5.1(B)(1)(b) and section 5.1(C) of this Ordinance.
- (1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this ordinance is delivered after that period or that to the Tax Administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.
- (2) If a payment is required to be made by electronic funds transfer, the payment is considered to be made when the payment is credited to an account designated by the Tax Administrator for the receipt of tax payments, except that, when a payment made by electronic funds transfer is delayed due to circumstances not under the control of the taxpayer, the payment is considered to be made when the taxpayer submitted the payment. For purposes of this section, "submitted the payment" means the date which the taxpayer has designated for the delivery of payment, which may or may not be the same date as the date the payment was initiated by the taxpayer.
- (J) The amounts withheld for the Municipality by an employer, the agent of an employer, or other

payer as described in section 5.1 of this Ordinance shall be allowed to the recipient of the compensation as credits against payment of the tax imposed on the recipient unless the amounts withheld were not remitted to the Municipality and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.

- (K) Each return required by the Municipality to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the Tax Administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the Tax Administrator to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the Tax Administrator with information that is missing from the return, to contact the Tax Administrator for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the Tax Administrator and has shown to the preparer or other person. Authorization by the taxpayer of another person to communicate with the Tax Administrator about matters pertaining to the return does not preclude the Tax Administrator from contacting the taxpayer regarding such matters.
- (L) The Tax Administrator of the Municipality shall accept for filing a generic form of any income tax return, report, or document required by the Municipality in accordance with this Ordinance, provided that the generic form, once completed and filed, contains all of the information required by ordinances, resolutions, or rules adopted by the Municipality or Tax Administrator, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this Ordinance governing the filing of returns, reports, or documents.
- (M) When income tax returns, reports, or other documents require the signature of a tax return preparer, the Tax Administrator shall accept a facsimile of such a signature in lieu of a manual signature.
- (N) (1) As used in this division, "worksite location" has the same meaning as in section 5.2 of this Ordinance.
- (2) A person may notify the Tax Administrator that the person does not expect to be a taxpayer with respect to the Municipality for a taxable year if both of the following conditions apply:
- (a) The person was required to file a tax return with the Municipality for the immediately preceding taxable year because the person performed services at a worksite location within the Municipality, and the person has filed all appropriate and required returns and remitted all applicable income tax and withholding payments as provided by this ordinance. The Tax Administrator is not required to accept an affidavit from a taxpayer who has not complied with the provisions of this ordinance.
- (b) The person no longer provides services in the Municipality, and does not expect to be subject to the Municipality's income tax for the taxable year. The person shall provide the notice in a signed affidavit that briefly explains the person's circumstances, including the location of the previous worksite location and the last date on which the person performed services or made any sales within the Municipality. The affidavit also shall include the following statement: "The affiant has no plans to perform any services within the municipal corporation, make any sales in the municipal corporation, or otherwise become subject to the tax levied by the municipal corporation during the taxable year. If the affiant does become subject to the tax levied by the municipal corporation for the taxable year, the affiant agrees to be considered a taxpayer and to properly register as a taxpayer with the municipal corporation, if such a registration is required by the municipal corporation's resolutions, ordinances, or rules." The person shall sign the affidavit under penalty of perjury.
- (c) If a person submits an affidavit described in division (N)(2) of this section, the Tax Administrator shall not require the person to file any tax return for the taxable year unless the Tax Administrator possesses information that conflicts with the affidavit or if the circumstances described in the affidavit change, or the taxpayer has engaged in activity which results in work being performed, services provided, sales made, or other activity that results in municipal taxable income reportable to the Municipality in the taxable year. It shall be the responsibility of the taxpayer to comply with the provisions of this Ordinance relating to the reporting and filing of municipal taxable income on an annual municipal income tax return, even if an affidavit has been filed with the Tax Administrator for the

taxable year. Nothing in division (N) of this section prohibits the Tax Administrator from performing an audit of the person.

SECTION 9.2 RETURN AND PAYMENT OF TAX; INDIVIDUALS SERVING IN COMBAT ZONE

- (A) Each member of the national guard of any state and each member of a reserve component of the armed forces of the United States called to active duty pursuant to an executive order issued by the President of the United States or an act of the Congress of the United States, and each civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces, may apply to the Tax Administrator of the Municipality for both an extension of time for filing of the return and an extension of time for payment of taxes required by the Municipality in accordance with this ordinance during the period of the member's or civilian's duty service and for one hundred eighty days thereafter. The application shall be filed on or before the one hundred eightieth day after the member's or civilian's duty terminates. An applicant shall provide such evidence as the Tax Administrator considers necessary to demonstrate eligibility for the extension.
- (B) (1) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the Tax Administrator shall enter into a contract with the applicant for the payment of the tax in installments that begin on the one hundred eighty-first day after the applicant's active duty or service terminates. Except as provided in division (B)(3) of this section, the Tax Administrator may prescribe such contract terms as the Tax Administrator considers appropriate.
- (2) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the applicant shall neither be required to file any return, report, or other tax document nor be required to pay any tax otherwise due to the Municipality before the one hundred eighty-first day after the applicant's active duty or service terminates.
- (3) Taxes paid pursuant to a contract entered into under division (B)(1) of this section are not delinquent. The Tax Administrator shall not require any payments of penalties or interest in connection with those taxes for the extension period.
- (C) (1) Nothing in this division denies to any person described in this division the application of divisions (A) and (B) of this section.
- (2) (a) A qualifying taxpayer who is eligible for an extension under the Internal Revenue Code shall receive both an extension of time in which to file any return, report, or other tax document and an extension of time in which to make any payment of taxes required by the Municipality in accordance with this ordinance. The length of any extension granted under division (C)(2)(a) of this section shall be equal to the length of the corresponding extension that the taxpayer receives under the Internal Revenue Code. As used in this section, "qualifying taxpayer" means a member of the national guard or a member of a reserve component of the armed forces of the United States called to active duty pursuant to either an executive order issued by the President of the United States or an act of the Congress of the United States, or a civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces.
- (b) Taxes the payment of which is extended in accordance with division (C)(2)(a) of this section are not delinquent during the extension period. Such taxes become delinquent on the first day after the expiration of the extension period if the taxes are not paid prior to that date. The Tax Administrator shall not require any payment of penalties or interest in connection with those taxes for the extension period. The Tax Administrator shall not include any period of extension granted under division (C)(2)(a) of this section in calculating the penalty or interest due on any unpaid tax.
- (D) For each taxable year to which division (A), (B), or (C) of this section applies to a taxpayer, the provisions of divisions (B)(2) and (3) or (C) of this section, as applicable, apply to the spouse of that taxpayer if the filing status of the spouse and the taxpayer is married filing jointly for that year.

SECTION 9.3 USE OF OHIO BUSINESS GATEWAY; TYPES OF FILINGS AUTHORIZED

- (A) Any taxpayer subject to municipal income taxation with respect to the taxpayer's net profit from a business or profession may file any municipal income tax return or, estimated municipal income tax return, or extension for filing a municipal income tax return, and may make payment of

amounts shown to be due on such returns, by using the Ohio Business Gateway.

- (B) Any employer, agent of an employer, or other payer may report the amount of municipal income tax withheld from qualifying wages, and may make remittance of such amounts, by using the Ohio Business Gateway.
- (C) Nothing in this section affects the due dates for filing employer withholding tax returns or deposit of any required tax.
- (D) The use of the Ohio Business Gateway by municipal corporations, taxpayers, or other persons does not affect the legal rights of municipal corporations or taxpayers as otherwise permitted by law. The state of Ohio shall not be a party to the administration of municipal income taxes or to an appeal of a municipal income tax matter, except as otherwise specifically provided by law.
- (E) Nothing in this section shall be construed as limiting or removing the authority of any municipal corporation to administer, audit, and enforce the provisions of its municipal income tax.

SECTION 9.4 EXTENSION OF TIME TO FILE

- (A) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The taxpayer may submit to the Tax Administrator a copy of the taxpayer's federal extension request on or before the fifteenth day of the fourth month after the last day of the taxable year to which the return relates. The extended due date of the municipal income tax return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.
- (B) Any taxpayer that qualifies for an automatic federal extension for a period other than six (6) months for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The taxpayer may submit to the Tax Administrator a copy of the federal extension request, and documentation that such request was granted, on or before the fifteenth day of the fourth month after the last day of the taxable year to which the return relates. The extended due date of the municipal income tax return shall be the same as that of the extended federal income tax return.
- (C) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the Tax Administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the request is received by the Tax Administrator on or before the date the municipal income tax return is due, the Tax Administrator shall grant the taxpayer's requested extension.
- (D) An extension of time to file under this ordinance is not an extension of the time to pay any tax due unless the Tax Administrator grants an extension of that date.
- (E) If the State Tax Commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of *ORC 5747.08*, a taxpayer shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as the extended due date of the state income tax return.

SECTION 9.5 AMENDED RETURNS

- (A)
 - (1) A taxpayer shall file an amended return with the Tax Administrator in such form as the Tax Administrator requires if any of the facts, figures, computations, or attachments required in the taxpayer's annual return to determine the tax due levied by the Municipality in accordance with this Ordinance must be altered.
 - (2) Within sixty (60) days after the final determination of any federal or state tax liability affecting the taxpayer's municipal tax liability, the taxpayer shall make and file an amended municipal return showing income subject to the municipal income tax based upon such final determination of federal or state tax liability, and pay any additional municipal income tax shown due thereon or make a claim for refund of any overpayment, unless the tax or overpayment is less than ten dollars (\$10).
 - (3) If a taxpayer intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify the Tax Administrator before filing the amended return.
- (B) (1) In the case of an underpayment, the amended return shall be accompanied by payment of any

combined additional tax due together with any penalty and interest thereon. If the combined tax shown to be due is ten dollars (\$10) or less, such amount need not accompany the amended return. Except as provided under division (B)(2) of this section, the amended return shall not reopen those facts, figures, computations, or attachments from a previously filed return that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless the applicable statute of limitations for civil actions or prosecutions under section 19 of this Ordinance has not expired for a previously filed return.

- (2) The additional tax to be paid shall not exceed the amount of tax that would be due if all facts, figures, computations, and attachments were reopened.
- (C) (1) In the case of an overpayment, a request for refund may be filed under this division within the period prescribed by (A)(2) of this section 9.5 for filing the amended return, even if it is filed beyond the period prescribed in that division if it otherwise conforms to the requirements of that division. If the amount of the refund is ten dollars (\$10) or less, no refund need be paid by the Municipality to the taxpayer. Except as set forth in division (C)(2) of this section, a request filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless it is also filed within the time prescribed in section 9.6 of this Ordinance. Except as set forth in division (C)(2) of this section, the request shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return.
- (2) The amount to be refunded shall not exceed the amount of refund that would be due if all facts, figures, computations, and attachments were reopened.

SECTION 9.6 REFUNDS

- (A) Upon receipt of a request for refund, the Tax Administrator of the Municipality, in accordance with this section, shall refund to employers, agents of employers, other payers, or taxpayers, with respect to any income or withholding tax levied by the Municipality:
- (1) Overpayments of more than ten dollars (\$10);
 - (2) Amounts paid erroneously if the refund requested exceeds ten dollars (\$10).
- (B) (1) Except as otherwise provided in this Ordinance, returns setting forth a request for refund shall be filed with the Tax Administrator, within three (3) years after the tax was due or paid, whichever is later. Any documentation that substantiates the taxpayer's claim for a refund must be included with the return filing. Failure to remit all documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses or other pertinent factors on the return will cause delay in processing, and/or disallowance of undocumented credits or losses.
- (2) On filing of the refund request, the Tax Administrator shall determine the amount of refund due and certify such amount to the appropriate municipal corporation official for payment. Except as provided in division (B)(3) of this section, the Tax Administrator shall issue an assessment to any taxpayer whose request for refund is fully or partially denied. The assessment shall state the amount of the refund that was denied, the reasons for the denial, and instructions for appealing the assessment.
 - (3) If the Tax Administrator denies in whole or in part a refund request included within the taxpayer's originally filed annual income tax return, the Tax Administrator shall notify the taxpayer, in writing, of the amount of the refund that was denied, the reasons for the denial, and instructions for requesting an assessment that may be appealed under section 18 of this Ordinance.
- (C) A request for a refund that is received after the last day for filing specified in division (B) of this section 9.6 shall be considered to have been filed in a timely manner if any of the following situations exist:
- (1) The request is delivered by the postal service, and the earliest postal service postmark on the cover in which the request is enclosed is not later than the last day for filing the request.
 - (2) The request is delivered by the postal service, the only postmark on the cover in which the request is enclosed was affixed by a private postal meter, the date of that postmark is not later than the last day for filing the request, and the request is received within seven days of such last day.

- (3) The request is delivered by the postal service, no postmark date was affixed to the cover in which the request is enclosed or the date of the postmark so affixed is not legible, and the request is received within seven days of the last day for making the request.
- (D) Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety (90) days after the completed return is filed, whichever is later, no interest shall be allowed on the refund. For the purpose of computing the payment of interest on amounts overpaid, no amount of tax for any taxable year shall be considered to have been paid before the date on which the return on which the tax is reported is due, without regard to any extension of time for filing that return. Interest shall be paid at the interest rate described in section 10(A)(4) of this Ordinance.
- (E) As used in this section, "withholding tax" has the same meaning as in section 10(A)(9) of this Ordinance.

- (2) This section does not apply to returns required to be filed or payments required to be made before January 1, 2016, regardless of the filing or payment date. Returns required to be filed or payments required to be made before January 1, 2016, but filed or paid after that date shall

be subject to the ordinances or rules, as adopted from time to time before January 1, 2016 of this Municipality.

- (C) The Municipality shall impose on a taxpayer, employer, any agent of the employer, and any other payer, and will attempt to collect, the interest amounts and penalties prescribed in this section when the taxpayer, employer, any agent of the employer, or any other payer for any reason fails, in whole or in part, to make to the Municipality timely and full payment or remittance of income tax, estimated income tax, or withholding tax or to file timely with the Municipality any return required to be filed.
 - (1) Interest shall be imposed at the rate defined as “interest rate as described in division (A) of this section,” per annum, on all unpaid income tax, unpaid estimated income tax, and unpaid withholding tax. This imposition of interest shall be assessed per month, or fraction of a month.

The penalty shall not exceed a total of one hundred fifty dollars (\$150) in assessed penalty for each failure to timely file a return.
- (D) With respect to income taxes, estimated income taxes, withholding taxes, and returns, the Municipality shall not impose, seek to collect, or collect any penalty, amount of interest, charges or additional fees not described in this section.
- (E) With respect to income taxes, estimated income taxes, withholding taxes, and returns, the Municipality shall not refund or credit any penalty, amount of interest, charges, or additional fees that were properly imposed or collected before January 1, 2016.
- (F) The Tax Administrator may, in the Tax Administrator’s sole discretion, abate or partially abate penalties or interest imposed under this section when the Tax Administrator deems such abatement or partial abatement to be appropriate. Such abatement or partial abatement shall be properly documented and maintained on the record of the taxpayer who received benefit of such abatement or partial abatement.

At or before the commencement of an audit, the Tax Administrator shall inform the taxpayer when the audit is considered to have commenced.
- (B) Except in cases involving suspected criminal activity, the Tax Administrator shall conduct an audit of a taxpayer during regular business hours and after providing reasonable notice to the taxpayer. A taxpayer who is unable to comply with a proposed time for an audit on the grounds that the proposed time would cause inconvenience or hardship must offer reasonable alternative dates for the audit.
- (C) At all stages of an audit by the Tax Administrator, a taxpayer is entitled to be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner. The Tax Administrator shall prescribe a form by which a taxpayer may designate such a person to assist or represent the taxpayer in the conduct of any proceedings resulting from actions by the Tax Administrator. If a taxpayer has not submitted such a form, the Tax Administrator may accept other evidence, as the Tax Administrator considers appropriate, that a person is the authorized representative of a taxpayer. A taxpayer may refuse to answer any questions asked by the person conducting an audit until the taxpayer has an opportunity to consult with the taxpayer’s attorney,

accountant, bookkeeper, or other tax practitioner. This division does not authorize the practice of law by a person who is not an attorney.

- (D) A taxpayer may record, electronically or otherwise, the audit examination.
- (E) The failure of the Tax Administrator to comply with a provision of this section shall neither excuse a taxpayer from payment of any taxes owed by the taxpayer nor cure any procedural defect in a taxpayer's case.
- (F) If the Tax Administrator fails to substantially comply with the provisions of this section, the Tax Administrator, upon application by the taxpayer, shall excuse the taxpayer from penalties and interest arising from the audit.

- application is withdrawn by the appellant or applicant, is dismissed, or is otherwise final;

SECTION 13.2 AUTHORITY OF TAX ADMINISTRATOR; COMPROMISE OF CLAIM AND PAYMENT OVER TIME

- (A) As used in this section, "claim" means a claim for an amount payable to the Municipality that arises pursuant to the municipal income tax imposed in accordance with this Ordinance.
- (B) The Tax Administrator may do either of the following if such action is in the best interests of the Municipality:
 - (1) Compromise a claim;
 - (2) Extend for a reasonable period the time for payment of a claim by agreeing to accept monthly or other periodic payments, upon such terms and conditions as the Tax Administrator may require.
- (C) The Tax Administrator's rejection of a compromise or payment-over-time agreement proposed by a person with respect to a claim shall not be appealable.

- (E)
 - (1) A compromise or payment-over-time agreement with respect to a claim shall be void if the taxpayer defaults under the compromise or agreement or if the compromise or agreement was obtained by fraud or by misrepresentation of a material fact. Any amount that was due before the compromise or agreement and that is unpaid shall remain due, and any penalties or interest that would have accrued in the absence of the compromise or agreement shall continue to accrue and be due.
 - (2) The Tax Administrator shall have sole discretion to determine whether or not penalty, interest, charges or applicable fees will be assessed through the duration of any compromise or payment-over-time agreement.
- (F) The Tax Administrator may require that the taxpayer provide detailed financial documentation and information, in order to determine whether or not a payment-over-time agreement will be authorized. The taxpayer's failure to provide the necessary and required information by the Tax Administrator shall preclude consideration of a payment-over-time agreement.

SECTION 13.3 AUTHORITY OF TAX ADMINISTRATOR; RIGHT TO EXAMINE

- (A) The Tax Administrator, or any authorized agent or employee thereof may examine the books, papers, records, and federal and state income tax returns of any employer, taxpayer, or other person that is subject to, or that the Tax Administrator believes is subject to, the provisions of this Ordinance for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due under this Ordinance. Upon written request by the Tax Administrator or a duly authorized agent or employee thereof, every employer, taxpayer, or other person subject to this section is required to furnish the opportunity for the Tax Administrator, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.
- (B) The records and other documents of any taxpayer, employer, or other person that is subject to, or that a Tax Administrator believes is subject to, the provisions of this Ordinance shall be open to the Tax Administrator's inspection during business hours and shall be preserved for a period of six (6) years following the end of the taxable year to which the records or documents relate, unless the Tax Administrator, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The Tax Administrator may require any person, by notice served on that person, to keep such records as the Tax Administrator determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by the Municipality or for the withholding of such tax.
- (C) The Tax Administrator may examine under oath any person that the Tax Administrator reasonably

believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The Tax Administrator may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal and state income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

- (D) No person issued written notice by the Tax Administrator compelling attendance at a hearing or examination or the production of books, papers, records, or federal and state income tax returns under this section shall fail to comply.

SECTION 13.4 AUTHORITY OF TAX ADMINISTRATOR; REQUIRING IDENTIFYING INFORMATION

- (A) The Tax Administrator may require any person filing a tax document with the Tax Administrator to provide identifying information, which may include the person's social security number, federal employer identification number, or other identification number requested by the Tax Administrator. A person required by the Tax Administrator to provide identifying information that has experienced any change with respect to that information shall notify the Tax Administrator of the change before, or upon, filing the next tax document requiring the identifying information.
- (B) (1) If the Tax Administrator makes a request for identifying information and the Tax Administrator does not receive valid identifying information within thirty days of making the request, nothing in this ordinance prohibits the Tax Administrator from imposing a penalty upon the person to whom the request was directed pursuant to section 10 of this Ordinance, in addition to any applicable penalty described in section 99 of this Ordinance.
- (2) If a person required by the Tax Administrator to provide identifying information does not notify the Tax Administrator of a change with respect to that information as required under division (A) of this section within thirty days after filing the next tax document requiring such identifying information, nothing in this Ordinance prohibits the Tax Administrator from imposing a penalty pursuant to section 10 of this Ordinance.
- (3) The penalties provided for under divisions (B)(1) and (2) of this section may be billed and imposed in the same manner as the tax or fee with respect to which the identifying information is sought and are in addition to any applicable criminal penalties described in section 99 of this Ordinance for a violation of section 15 of this Ordinance and any other penalties that may be imposed by the Tax Administrator by law.

SECTION 14 CONFIDENTIALITY

- (A) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by ORC Chapter 718 or by the Ordinance of the Municipality is confidential, and no person shall access or disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the Municipality as authorized by ORC Chapter 718 or this Ordinance authorizing the levy. The Tax Administrator or a designee thereof may furnish copies of returns filed or otherwise received under this Ordinance and other related tax information to the Internal Revenue Service, the State Tax Commissioner, and Tax Administrators of other municipal corporations.

SECTION 16 OPINION OF THE TAX ADMINISTRATOR

- (A) An "opinion of the Tax Administrator" means an opinion issued under this section with respect to prospective municipal income tax liability. It does not include ordinary correspondence of the Tax Administrator.
- (B) A taxpayer may submit a written request for an opinion of the Tax Administrator as to whether or how certain income, source of income, or a certain activity or transaction will be taxed. The written response of the Tax Administrator shall be an "opinion of the Tax Administrator" and shall bind the Tax Administrator, in accordance with divisions (C), (G), and (H) of this section, provided all of the following conditions are satisfied:
 - (1) The taxpayer's request fully and accurately describes the specific facts or circumstances relevant to a determination of the taxability of the income, source of income, activity, or transaction, and, if an activity or transaction, all parties involved in the activity or transaction are clearly identified by name, location, or other pertinent facts.
 - (2) The request relates to a tax imposed by the Municipality in accordance with this Ordinance.
 - (3) The Tax Administrator's response is signed by the Tax Administrator and designated as an "opinion of the Tax Administrator."
- (C) An opinion of the Tax Administrator shall remain in effect and shall protect the taxpayer for whom the opinion was prepared and who reasonably relies on it from liability for any taxes, penalty, or interest otherwise chargeable on the activity or transaction specifically held by the Tax Administrator's opinion to be taxable in a particular manner or not to be subject to taxation for any taxable years that may be specified in the opinion, or until the earliest of the following dates:
 - (1) The effective date of a written revocation by the Tax Administrator sent to the taxpayer by certified mail, return receipt requested. The effective date of the revocation shall be the taxpayer's date of receipt or one year after the issuance of the opinion, whichever is later;
 - (2) The effective date of any amendment or enactment of a relevant section of the ORC, uncodified state law, or the Municipality's income tax ordinance that would substantially change the analysis and conclusion of the opinion of the Tax Administrator;
 - (3) The date on which a court issues an opinion establishing or changing relevant case law with respect to the ORC, uncodified state law, or the Municipality's income tax ordinance;
 - (4) If the opinion of the Tax Administrator was based on the interpretation of federal law, the effective date of any change in the relevant federal statutes or regulations, or the date on which a court issues an opinion establishing or changing relevant case law with respect to federal statutes or regulations;
 - (5) The effective date of any change in the taxpayer's material facts or circumstances; or
 - (6) The effective date of the expiration of the opinion, if specified in the opinion.
- (D)
 - (1) A taxpayer is not relieved of tax liability for any activity or transaction related to a request for an opinion that contained any misrepresentation or omission of one or more material facts.
 - (2) If the taxpayer knowingly has misrepresented the pertinent facts or omitted material facts with intent to defraud the Municipality in order to obtain a more favorable opinion, the taxpayer may be in violation of section 15 of this Ordinance.
- (E) If a Tax Administrator provides written advice under this section, the opinion shall include a statement that:
 - (1) The tax consequences stated in the opinion may be subject to change for any of the reasons stated in division (C) of this section;
 - (2) It is the duty of the taxpayer to be aware of such changes.
- (F) A Tax Administrator may refuse to offer an opinion on any request received under this section.
- (G) This section binds a Tax Administrator only with respect to opinions of the Tax Administrator issued on or after January 1, 2016.
- (H) An opinion of a Tax Administrator binds that Tax Administrator only with respect to the taxpayer for whom the opinion was prepared and does not bind the Tax Administrator of any other municipal corporation.

- (I) A Tax Administrator shall make available the text of all opinions issued under this section, except those opinions prepared for a taxpayer who has requested that the text of the opinion remain confidential. In no event shall the text of an opinion be made available until the Tax Administrator has removed all information that identifies the taxpayer and any other parties involved in the activity or transaction.
- (J) An opinion of the Tax Administrator issued under this section or a refusal to offer an opinion under subsection (F) may not be appealed.

SECTION 17 ASSESSMENT; APPEAL BASED ON PRESUMPTION OF DELIVERY

- (A)
 - (1) The Tax Administrator shall serve an assessment either by personal service, by certified mail, or by a delivery service authorized under ORC 5703.056.
 - (2) The Tax Administrator may deliver the assessment through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail. Such alternative delivery method must be authorized by the person subject to the assessment.
 - (3) Once service of the assessment has been made by the Tax Administrator or other municipal official, or the designee of either, the person to whom the assessment is directed may protest the ruling of that assessment by filing an appeal with the Local Board of Tax Review within sixty days after the receipt of service. The delivery of an assessment of the Tax Administrator as prescribed in ORC 718.18 is prima facie evidence that delivery is complete and that the assessment is served.
- (B)
 - (1) A person may challenge the presumption of delivery and service as set forth in this division. A person disputing the presumption of delivery and service under this section bears the burden of proving by a preponderance of the evidence that the address to which the assessment was sent was not an address with which the person was associated at the time the Tax Administrator originally mailed the assessment by certified mail. For the purposes of this section, a person is associated with an address at the time the Tax Administrator originally mailed the assessment if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the assessment was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the assessment was mailed, owned or controlled at least twenty percent (20%), as determined by voting rights, of the addressee's business.
 - (2) If a person elects to appeal an assessment on the basis described in division (B)(1) of this section, and if that assessment is subject to collection and is not otherwise appealable, the person must do so within sixty days after the initial contact by the Tax Administrator or other municipal official, or the designee of either, with the person. Nothing in this division prevents the Tax Administrator or other official from entering into a compromise with the person if the person does not actually file such an appeal with the Local Board of Tax Review.

SECTION 18 LOCAL BOARD OF TAX REVIEW; APPEAL TO LOCAL BOARD OF TAX REVIEW

- (A)
 - (1) The legislative authority of the Municipality shall maintain a Local Board of Tax Review to hear appeals as provided in ORC Chapter 718.
 - (2) The Local Board of Tax Review shall consist of three members plus one alternate. The three members and alternate shall be domiciled in the Municipality. Two (2) members and the alternate shall be appointed by the legislative authority of the Municipality, and may not be employees, elected officials, or contractors with the Municipality at any time during their term or in the five (5) years immediately preceding the date of appointment. One member shall be appointed by the top administrative official of the Municipality. This member may be an employee of the Municipality, but may not be the director of finance or equivalent officer, or the Tax Administrator or other similar official or an employee directly involved in municipal tax matters, or any direct subordinate thereof.

- (3) The term for members of the Local Board of Tax Review appointed by the legislative authority of the Municipality shall be two (2) years. Each regular member shall have a different expiration date for their term. There is no limit on the number of terms that a member may serve should the member be reappointed by the legislative authority. The board member appointed by the top administrative official of the Municipality shall serve at the discretion of the administrative official.
 - (4) Members of the Local Board of Tax Review appointed by the legislative authority may be removed by the legislative authority as set forth in ORC 718.11(A)(4).
 - (5) A member of the board who, for any reason, ceases to meet the qualifications for the position prescribed by this section shall resign immediately by operation of law.
 - (6) A vacancy in an unexpired term shall be filled in the same manner as the original appointment within sixty (60) days of when the vacancy was created. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. No vacancy on the board shall impair the power and authority of the remaining members to exercise all the powers of the board.
 - (7) If a member is temporarily unable to serve on the board due to a conflict of interest, illness, absence, or similar reason, the legislative authority or top administrative official that appointed the member shall appoint another individual to temporarily serve on the board in the member's place. This appointment shall be subject to the same requirements and limitations as are applicable to the appointment of the member temporarily unable to serve.
 - (8) No member of the Local Board of Tax Review shall receive compensation, fee, or reimbursement of expenses for service on the board.
- (B) Whenever a Tax Administrator issues an assessment, the Tax Administrator shall notify the taxpayer in writing at the same time of the taxpayer's right to appeal the assessment, the manner in which the taxpayer may appeal the assessment, and the address to which the appeal should be directed, and to whom the appeal should be directed.
 - (C) Any person who has been issued an assessment may appeal the assessment to the board by filing a request with the board. The request shall be in writing, shall specify the reason or reasons why the assessment should be deemed incorrect or unlawful, and shall be filed within sixty (60) days after the taxpayer receives the assessment.
 - (C) The Local Board of Tax Review shall schedule a hearing to be held within sixty (60) days after receiving an appeal of an assessment under division (C) of this section, unless the taxpayer requests additional time to prepare or waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the board and/or may be represented by an attorney at law, certified public accountant, or other representative. The board may allow a hearing to be continued as jointly agreed to by the parties. In such a case, the hearing must be completed within one hundred twenty (120) days after the first day of the hearing unless the parties agree otherwise.
 - (E) The board may affirm, reverse, or modify the Tax Administrator's assessment or any part of that assessment. The board shall issue a final determination on the appeal within ninety (90) days after the board's final hearing on the appeal, and send a copy of its final determination by ordinary mail to all of the parties to the appeal within fifteen (15) days after issuing the final determination. The taxpayer or the Tax Administrator may appeal the board's final determination as provided in ORC 5717.011.
 - (F) The Local Board of Tax Review created pursuant to this section shall adopt rules governing its procedures, including a schedule of related costs, and shall keep a record of its transactions. The rules governing the Local Board of Tax Review procedures shall be in writing, and may be amended as needed by the Local Board of Tax Review. Such records are not public records available for inspection under ORC 149.43. For this reason, any documentation, copies of returns or reports, final determinations, or working papers for each case must be maintained in a secure location under the control of the Tax Administrator. No member of the Local Board of Tax Review may remove such documentation, copies of returns or reports, final determinations, or working papers from the hearing. Hearings requested by a taxpayer before a Local Board of Tax Review created pursuant to this section are not meetings of a public body subject to ORC 121.22. For this reason, such hearings shall not be open to the public, and only those parties to the case may be present during the hearing.

SECTION 19 ACTIONS TO RECOVER; STATUTE OF LIMITATIONS

- (A) (1)(a) Civil actions to recover municipal income taxes and penalties and interest on municipal income taxes shall be brought within the latter of:
- (i) Three (3) years after the tax was due or the return was filed, whichever is later; or
 - (ii) One (1) year after the conclusion of the qualifying deferral period, if any.
- (b) The time limit described in division (A)(1)(a) of this section may be extended at any time if both the Tax Administrator and the employer, agent of the employer, other payer, or taxpayer consent in writing to the extension. Any extension shall also extend for the same period of time the time limit described in division (C) of this section.
- (2) As used in this section, "qualifying deferral period" means a period of time beginning and ending as follows:
- (a) Beginning on the date a person who is aggrieved by an assessment files with a Local Board of Tax Review the request described in section 18 of this Ordinance. That date shall not be affected by any subsequent decision, finding, or holding by any administrative body or court that the Local Board of Tax Review with which the aggrieved person filed the request did not have jurisdiction to affirm, reverse, or modify the assessment or any part of that assessment.
 - (b) Ending the later of the sixty (60) days after the date on which the final determination of the Local Board of Tax Review becomes final or, if any party appeals from the determination of the Local Board of Tax Review, the sixty (60) days after the date on which the final determination of the Local Board of Tax Review is either ultimately affirmed in whole or in part or ultimately reversed and no further appeal of either that affirmation, in whole or in part, or that reversal is available or taken.
- (B) Prosecutions for an offense made punishable under a resolution or ordinance imposing an income tax shall be commenced within three (3) years after the commission of the offense, provided that in the case of fraud, failure to file a return, or the omission of twenty-five percent (25%) or more of income required to be reported, prosecutions may be commenced within six (6) years after the commission of the offense.
- (C) A claim for a refund of municipal income taxes shall be brought within the time limitation provided in section 9.6 of this Ordinance.
- (D) (1) Notwithstanding the fact that an appeal is pending, the petitioner may pay all or a portion of the assessment that is the subject of the appeal. The acceptance of a payment by the Municipality does not prejudice any claim for refund upon final determination of the appeal.
- (2) If upon final determination of the appeal an error in the assessment is corrected by the Tax Administrator, upon an appeal so filed or pursuant to a final determination of the Local Board of Tax Review created under section 18 of this Ordinance, of the Ohio Board of Tax Appeals, or any court to which the decision of the Ohio Board of Tax Appeals has been appealed, so that the amount due from the party assessed under the corrected assessment is less than the amount paid, there shall be issued to the appellant or to the appellant's assigns or legal representative a refund in the amount of the overpayment as provided by section 9.6 of this Ordinance, with interest on that amount as provided by division (D) of ORC 718.12.
- (E) No civil action to recover municipal income tax or related penalties or interest shall be brought during either of the following time periods:
- (1) The period during which a taxpayer has a right to appeal the imposition of that tax or interest or those penalties; or
 - (2) The period during which an appeal related to the imposition of that tax or interest or those penalties is pending.
