SECTION 6. COLLECTION AT SOURCE

- A. Withholding by Employer. Each employer within, or doing business within the Village who employs one or more persons on a salary, wage, commission or other compensation basis shall deduct, when such salary, wage, commission or other compensation is paid, allocated, apportioned or set aside, the tax at the rate provided in section 3 hereof on the qualifying wages due by such employer to each such employee and shall, on or before the last day of the month following the close of each calendar quarter, make a return and pay to the Tax Administrator the amount of taxes so deducted. The return shall be on a form or forms prescribed by or acceptable to the Tax Administrator and shall be subject to the Rules and Regulations prescribed by the Tax Administrator. Such employer shall be liable for the payment of the tax required to be deducted and withheld, whether or not such taxes have in fact been withheld.
- B. An employer is not required to make any withholding with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of the corporation with respect to whose stock the option has been issued.
- C. 1. An employee is not relieved from liability for a tax by the failure of the employer to withhold the tax as required by a municipal corporation or by the employer's exemption from the requirement to withhold the tax.
2. The failure of an employer to remit to the municipal corporation the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer in connection with the failure to remit the tax withheld.
- D. Employer Considered as Trustee. Each employer in collecting such tax shall be deemed to hold the same, until payment is made by such employer to the Village, as a trustee for the benefit of the Village, and any such tax collected by such employer from his employees shall, until the same is paid to the Village, be deemed a trust fund in the hands of such employer. Each employer shall be liable for the payment of the tax required to be deducted and withheld, whether of not such tax, in fact, has been withheld.
- E. Any person who is required to withhold tax from qualifying wages shall pay all such tax to the Village in accordance with the provisions of this section. In the event taxes withheld from the qualifying wages of employees are not paid to the Village in accordance with the provisions of this section, all officers, members, managers, employees, and trustees having control or supervision of or charged with the responsibility of filing the return and making payment are jointly and severally personally liable for the tax not returned or paid to the Village as well as any related interest and penalties, and are also liable under the provisions of section 12 hereof. The dissolution, termination, or bankruptcy of a corporation, limited liability company, or business trust does not discharge an officer's member's, manager's, employee's, or trustee's liability for a failure of the corporation, limited liability company, or business trust to file returns or pay said taxes.

- F. Withholding Return; List of Employees. Each employer shall file a withholding tax reconciliation showing the sum total of all compensation paid all employees, the portion of which, (if any) was not subject to withholding along with an explanation for same, and the portion of which was subject to withholding, together with the amount of such withholdings remitted. Such return shall include information concerning each employee from whom the Village tax was withheld, showing the name, address, zip code and social security number of each such employee, the total amount of compensation paid during the year and the amount of Village tax withheld. If the total tax withheld from any employee included tax withheld and remitted to another municipality, the amount of same shall be separately shown on the return of information to the Village concerning each employee. The withholding tax reconciliation shall be filed by each employer on or before February 28 following the end of such calendar year.
- G. In addition to the wage reporting requirement of this section, any person required by the Internal Revenue Service to report on Form 1099-Misc. payments to individuals not treated as employees for services performed shall also report such payments to the Village when the services were performed in the Village. The information may be submitted on a listing, and shall include the name, address and social security number (or federal identification number), and the amount of the payments made. Federal form(s) 1099 may be submitted in lieu of such listing. The information shall be filed annually on or before February 28 following the end of such calendar year.
- H. Domestic Servants. No person shall be required to withhold the tax on the qualifying wages, commissions, other compensation, and other taxable income paid domestic servants employed exclusively in or about such person's residence. However, such domestic servants shall be responsible for filing and paying their own returns and taxes.

SECTION 7. DECLARATIONS

A. Requirement for Filing.

Every person who anticipates any taxable income which is not subject to Section 6 hereof, or who engages in any business, profession, enterprise or activity subject to the tax imposed by Section 3 hereof, and such income results in estimated tax due of One Hundred Dollars (\$100.00) or more, shall file a declaration setting forth such estimated income or the estimated profit or loss from such business activity together with the estimated tax due thereon, if any; provided, however, that if a person's income is wholly from qualifying wages from which the tax will be withheld and remitted to the Village, in accordance with Section 6 hereof, such person need not file a declaration.

B. Dates for Filing.

1. Such declaration shall be filed on or before April 15 of each year during the life of this Ordinance, or on or before the fifteenth (15th) day of the fourth

(4th) month following the date the taxpayer becomes subject to tax for the first time.

2. Those taxpayers reporting on a fiscal year basis or period differing from the calendar year shall file a declaration on or before the fifteenth (15th) day of the fourth (4th) month following the start of each fiscal year or period.

C. Forms; Credit for Tax Withheld or Paid Another Community.

1. Such declaration shall be filed upon a form furnished by or obtainable from the Tax Administrator or an acceptable generic form, and credit shall be taken for the Municipal tax to be withheld from any portion of such income. In accordance with the provisions of Section 15, credit may be taken for tax to be withheld and remitted to another taxing municipality.
2. The original declaration (or any subsequent amendment thereof) may be increased or decreased on or before any subsequent quarterly payment date as provided for herein.
3. For taxpayers who are individuals, such declaration of estimated tax to be paid the Municipality shall be accompanied by a payment of at least twenty percent (20%) of the estimated annual tax liability for the current year and at least a similar amount shall be paid on or before the last day of the seventh, tenth and thirteenth months after the beginning of the taxable year.
4. For taxpayers that are not individuals, such declaration of estimated tax to be paid the Municipality shall be accompanied by a payment of at least twenty percent (20%) of the estimated annual tax liability for the current year and at least a similar amount shall be paid on or before the last day of the seventh, tenth and thirteenth months after the beginning of the taxable year.
5. The mere submission of a declaration estimating a tax liability shall not constitute filing unless accompanied by the required payment.
6. A taxpayer may pay one hundred percent (100%) of his liability for the preceding year in estimated tax for the current year, provided the tax due for the preceding year reflected a liability for a twelve-month period. In such case, the eighty percent (80%) rule will not apply.

D. Amended Declaration.

1. A declaration may be amended at any time.
2. In the event that an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates.

E. Annual Return Required.

On or before the fifteenth (15th) day of the fourth month of the calendar or fiscal year, following that for which such declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due the Municipality shall be paid therewith in accordance with the provisions of section 5.

SECTION 8. DUTIES OF THE ADMINISTRATOR

- A. It shall be the duty of the Administrator to collect and receive the tax imposed by this ordinance in the manner prescribed therein, to keep an accurate record thereof, and to report all monies so received. It shall be the duty of the Administrator to enforce payment of all income taxes owing the Village, to keep accurate records for a minimum of five (5) years showing the amount due from each taxpayer required to file a declaration and/or make any return, including a return of taxes withheld, and to show the dates and amounts of payments thereof.
- B. Said Administrator is hereby charged with the enforcement of the provisions of this ordinance, including the interpretation and enforcement of the Rules and Regulations set forth in articles 1 through 18, and is hereby empowered, subject to the approval of the Village Council, to adopt, promulgate and enforce rules and regulations relating to any matter of thing pertaining to the collection of taxes hereunder and the administration and enforcement of the provisions of this ordinance, including provisions for the re-examination and correction of returns.

The Administrator is authorized to arrange for the payment of unpaid taxes, interest and penalties on a schedule of installment payments, when the taxpayer has proved to the satisfaction of the Administrator that, due to certain hardship conditions, he is unable to pay the full amount of the tax due. Such authorization shall not be granted until proper returns are filed by the taxpayer for all amounts owed by him under the ordinance.

Failure to make any installment payment when due shall cause the total unpaid amount, including penalty and interest, to become payable on demand, and the provisions of Sections 11 and 12 of the ordinance shall apply.

- C. In any case where a taxpayer has failed to file a return or has filed a return which does not show the proper amount of tax due, the Administrator may determine the amount of tax appearing to be due the Village from the taxpayer and shall send to such taxpayer a written statement showing the amount of tax so determined, together with any interest and penalties due thereon.
- D. Subject to the consent of the Board of Review in each case or pursuant to regulations approved by said Board of Review, the Administrator shall have the power to compromise any interest or penalty, or both, imposed by Section 10 of this ordinance.

- E. Upon the demonstration and documentation of good cause, the Tax Administrator shall have the power to compromise penalty and interest liabilities imposed by this Ordinance, consistent with this Ordinance and the Rules and Regulations. In no case shall the Tax Administrator possess the authority to abate or compromise a tax liability.

SECTION 9. INVESTIGATIVE POWERS OF THE ADMINISTRATOR – PENALTY FOR DIVULGING CONFIDENTIAL INFORMATION

- A. The Administrator, or his duly authorized agent or employee, is hereby authorized to examine the books, papers, records and federal income tax returns of any employer or of any taxpayer or person subject to, or whom the administrator believes is subject to the provisions of this ordinance, for the purpose of verifying the accuracy of any return made, or, if no return was made, to ascertain the tax or withholding due under this ordinance. Every such employer, supposed employer, taxpayer or supposed taxpayer is hereby directed and required to furnish upon written request by the Administrator, or his duly authorized agent or employee, the means, facilities, and opportunities for making such examinations and investigations as are hereby authorized.
- B. The Administrator is hereby authorized to order any person presumed to have knowledge of the facts to appear before him and may examine such person under oath concerning any income which was or should have been reported for taxation or withholding, or any transaction tending to affect such income, and for this purpose may compel the production of books, papers, records and federal income tax returns, and the attendance of any persons before him, whether as parties or witnesses, whenever he believes such persons have knowledge of such income or information pertinent to such inquiry.
- C. The refusal to produce books, papers, records, and federal income tax returns, or the refusal to submit to such examination, by any employer or person subject or presumed to be subject, to the tax or by any officer, agent or employee of a person subject to the tax, or required to withhold tax, or the failure of any person to comply with the provisions of this Section or with an order or subpoena of the Administrator authorized hereby, shall be deemed a violation of this ordinance, punishable as provided in Section 12 hereof.
- D. Any information gained as the result of any returns, investigations, hearings or verifications required or authorized by this ordinance shall be confidential, and no person shall disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the Village as authorized by this Ordinance. The Tax Administrator of the Village may furnish copies of returns filed under this Ordinance to the Internal Revenue Service and the State Tax Commissioner. Any person divulging such information in violation of this ordinance, shall, upon conviction thereof, be deemed guilty of a misdemeanor and shall be subject to a fine of not more than One Thousand Dollars (\$1000.00) or shall be imprisoned for not more than six (6) months, or both. No part of the fine imposed shall be suspended. Each disclosure shall constitute a separate offense.

In addition to the above penalty, any employee of the Village who violates the provisions of this Section relative to the disclosure of confidential information shall be guilty of an offense punishable by immediate dismissal.

- E. Every taxpayer shall retain all records necessary to compute his tax liability for a period of five (5) years from the date his return is filed, or the taxes required to be withheld are paid.

SECTION 10. INTEREST AND PENALTIES

- A. All taxes imposed and all monies withheld or required to be withheld by employers under the provisions of this ordinance and remaining unpaid after they become due shall bear interest at the rate of one percent (1%) per month or fraction thereof.
- B. In addition to interest as provided in Paragraph A hereof, penalties based on the unpaid tax and failure to file a return, are hereby imposed as follows:
 - 1. For failure to pay taxes due, other than taxes withheld: five percent (5%) per month or fraction thereof not to exceed fifteen percent (15%), or twenty-five dollars (\$25.00), whichever is greater.
 - 2. For failure to remit taxes withheld from employees: three percent (3%) per month or fraction thereof, or twenty-five dollars (\$25.00), whichever is greater.
 - 3. Where the taxpayer has failed to file a return by the due date or by the date resulting from extension, twenty-five dollars (\$25.00).
 - 4. An underpayment penalty shall be imposed on a final return if the estimated tax payments and withholding equal less than eighty percent (80%) of the final tax liability except when payment due on the final return is less than One Hundred Dollars (\$100.00). When the estimated declaration payments and withholding equal or exceed the previous tax year liability, no penalty or interest shall be assessed.
 - 5. No penalty or interest shall be charged against a taxpayer for the late payment or nonpayment of estimated tax liability if the taxpayer is an individual who resides in the municipal corporation but was not domiciled there on the first day of January of the current calendar year.
- C. **EXCEPTIONS.** A penalty shall not be assessed on an additional tax assessment made by the Administrator when a return has been filed in good faith and the tax paid thereon within the time prescribed by the Administrator; and provided further, that, in the absence of fraud, neither penalty nor interest shall be assessed on any additional tax assessment resulting from a federal audit, providing an amended return is filed and the additional tax is paid within three (3) months after final determination of the federal tax liability.
- D. Upon recommendation of the Administrator, the Board of Review may abate penalty or interest, or both, or upon an appeal from the refusal of the

Administrator to recommend abatement of penalty and interest concerning an item of income or expense, the Board may, nevertheless, abate penalty or interest, or both.

SECTION 11. COLLECTION OF UNPAID TAXES AND REFUNDS OF OVERPAYMENTS.

- A. All taxes imposed by this ordinance shall be collectable, together with any interest and penalties thereon, by suit, as other debts of like amount are recoverable. No additional assessment shall be made after three (3) years from the time the tax was due or the return was filed, whichever is later; provided, however, there shall be no period of limitation on an additional assessment in the case of a return that omits gross income in excess of twenty-five per cent (25%) of that required to be reported or in the case of filing a false or fraudulent return with intent to evade the tax, or in the case of failure to file a return. In those cases in which the Commissioner of Internal Revenue and the taxpayer have executed a waiver of the federal statute of limitations the period within which an additional assessment may be made by the Tax Administrator shall be extended one (1) year from the time of the final determination of the federal tax liability.
- B. Taxes erroneously paid shall not be refunded unless a claim for refund is made within three (3) years from the date which such payment was made or the return was due, or within three (3) months after final determination of the federal tax liability, whichever is later.
- C. Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment, with the following exception: No interest shall be allowed on any overpayment that is refunded within ninety (90) days after the final filing date of the annual return or ninety (90) days after the complete return is filed, whichever is later. For purposes of computing the payment of interest on overpayments, no amount of tax for any taxable year shall be treated as having been paid before the date on which the tax return for that year was due without regard to any extension of time for filing that return. The interest shall be paid at the rate of interest prescribed by Ohio R.C. 5703.47.
- D. Amounts of less than One Dollar and One Cent (\$1.01) shall not be collected, refunded, or credited to the taxpayer or his account.
- E. An adjustment made to a tax return by the Village of Fort Recovery Tax Department, after the return has been filed in good faith by the taxpayer, will not be made by the Tax Department if the result of the adjustment is equal to or less than five dollars (\$5.00) as underpayment or overpayment of tax.

SECTION 12. VIOLATIONS – PENALTIES

- A. Any person who shall:
 - 1. Fail, neglect or refuse to make any return or declaration required by this ordinance; or

2. Knowingly make any incomplete, false or fraudulent return; or
3. Willfully fail, neglect, or refuse to pay the tax, penalties or interest imposed by this ordinance; or
4. Willfully fail, neglect or refuse to withhold the tax from his employees and remit such withholding to the Administrator; or
5. Refuse to permit the Administrator or any duly authorized agent or employee to examine his or his employer's books, records, papers and Federal income tax returns; or
6. Fail to appear before the Administrator and to produce his or his employer's books, records, papers or Federal income tax returns upon order or subpoena of the Administrator; or
7. Refuse to disclose to the Administrator any information with respect to such person's or such person's employer's income or net profits; or
8. Fail to comply with the provisions of this ordinance or any order or subpoena of the Administrator authorized hereby; or
9. Willfully give to an employer by an employee false information as to his true name, correct social security number and residence address; or failure of such employee to promptly notify an employer of any change in residence address and the date thereof; or
10. Failure on the part of any employer to maintain proper records of employees' residence addresses, total wages paid and Village tax withheld; or to knowingly give the Administrator false information; or
11. Willfully fail or willfully refuse to make any payment on the estimated tax for any year or part of any tax year as required by Section 7; or
12. Fail to cause the tax withheld from the qualifying wages of the employees pursuant to this Ordinance to be paid to the Municipality in accordance with the provisions of section 6; or
13. Attempt to do anything whatever to avoid the payment of the whole or any part of the tax, penalties or interest imposed by this ordinance;

Shall be guilty of a misdemeanor and shall be fined not more than One Thousand Dollars (\$1000.00) or imprisoned not more than six (6) months or both, for each offense. No part of the fines imposed shall be suspended.

- B. All prosecutions under this Section must be commenced within three (3) years from the time of the offense complained of except in the case of failure to file a return or in the case of filing a false or fraudulent return, in which event the limitation of time within which prosecution must be commenced shall be six (6)

years from the date the return was due or the date the false or fraudulent return was filed.

- C. The failure of any employer, taxpayer or person to receive or procure a return, declaration or other required form shall not excuse him from making any information return, return or declaration, from filing such form, or from paying or withholding the tax.
- D. The term “person” as used in this section shall, in addition to the meaning prescribed in section 2, include in the case of an association or corporation not having any partner, member or officer within the Municipality, any employee or agent of such association or corporation who can be found within the corporate limits of the Municipality.

SECTION 13. BOARD OF REVIEW

- A. A Board of Review, consisting of a chairman and two other individuals each to be appointed by the Mayor of the Village, is hereby created and shall be maintained to hear appeals. Such appointments shall be confirmed by Village Council and no elected officer or employee of the Village may qualify for such appointment. A majority of the members of the Board shall constitute a quorum. The Board shall adopt its own procedural rules and shall keep a record of its transactions. Hearings requested by the taxpayer before a Board of Review created pursuant to this section are not meetings of a public body subject to section 121.22 of the Ohio Revised Code. Such records are not public records available for inspection under section 149.43 of the Ohio Revised Code.
- B. All rules and regulations and amendments or changes thereto, which are adopted by the Administrator under the authority conferred by this ordinance, must be approved by Village Council before the same become effective. The Board shall hear and pass on appeals from any ruling or decision of the Administrator, and at the request of the taxpayer or Administrator, is empowered to substitute alternate methods of apportionment.
- C. Whenever the Tax Administrator issues a decision regarding an income tax obligation that is subject to appeal, as provided in this section, or in an ordinance or regulation of the Village, the Tax Administrator shall notify the taxpayer in writing at the same time of the taxpayer’s right to appeal the decision and of the manner in which the taxpayer may appeal the decision .

Any person who is aggrieved by a decision by the Tax Administrator and who has filed with the Village the required returns or other documents pertaining to the Village income tax obligation at issue in the decision may appeal the decision to the Board of Review by filing a written request with the Board.

The request shall be in writing, shall state with particularity why the decision should be deemed incorrect or unlawful, and shall be filed within thirty (30) days after the Tax Administrator has issued the decision.

The imposition of penalty and interest as prescribed in the Village Income Tax Ordinance is not a sole basis for an appeal.

The Board of Review shall schedule a hearing within forty-five (45) days after receiving a request, unless the taxpayer waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the Board and may be represented by an attorney at law, certified public accountant or other representative, provided a letter of authorization is presented.

The Board may affirm, reverse, or modify the Tax Administrator's decision or any part of that decision. The Board shall issue a decision on the appeal within ninety (90) days after the Board's final hearing on the appeal, and send notice of its decision by ordinary mail to all of the parties of the appeal within fifteen (15) days after issuing the decision. The taxpayer or Tax Administrator may appeal the board's decision as provided in Section 5717.011 of the Ohio Revised Code.

- D. The original appointments to the Board of Review shall be for terms of one (1), two (2) and three (3) years respectively, and thereafter all appointments shall be for terms of three (3) years. Vacancies on said Board shall be filled by appointment by the Mayor, subject to confirmation by Council, and shall be for the unexpired term of the Board member replaced. All original terms shall begin on January 2, 1985, and end on January 1 of the appropriate year, and thereafter all terms shall begin on January 2 and end on January 1. All appointments and confirmations thereof shall state the dates of beginning and ending of the term for which the appointment is made, calculated in accordance with this Section. Members of the Board shall receive no compensation, but shall be allowed such amounts for actual expenses, including but not limited to mileage, as Council may provide.

SECTION 14. ALLOCATION OF FUNDS

The allocation of funds is to be determined by the Council of the Village of Fort Recovery, Mercer County, Ohio.

SECTION 15. CREDIT FOR TAX PAID TO ANOTHER MUNICIPALITY

- A. Where a resident of Ft. Recovery, Ohio, is subject to an Indiana county income tax or municipal income tax in another municipality, he shall not pay a total municipal income tax on the same income greater than the tax imposed at the higher rate.
- B. Every individual taxpayer who resides in Ft. Recovery, Ohio, who receives net profits, salaries, wages, bonus payments, commissions or other personal service compensation for work done or services performed or rendered outside of the Village, if it be made to appear that he has paid a municipal income tax on the same income taxable under this ordinance to another municipality, shall be allowed a credit against the tax imposed by this ordinance of the amount so paid by him or in his behalf to such other municipality. The credit shall not exceed the tax assessed by this ordinance on such income earned in such other municipality or municipalities where such tax is paid.
- C. Every individual tax payer who resides in Fort Recovery, Ohio, who receives net profits, salaries, wages, bonus payments, commissions or other personal service compensation for work done or services performed or rendered in the

State of Indiana if it be made to appear that he has paid a county income tax on the same income taxable under this ordinance to a county in the State of Indiana, shall be allowed an Indiana Non-Resident credit against the tax imposed by this ordinance of the amount so paid by him or in his behalf to such other county in Indiana. The credit shall not exceed the tax assessed by this ordinance on such income earned in such other county in Indiana where such tax is paid.

- D. Except as provided in paragraph (E) of this section, if tax or withholding is paid to a municipal corporation on income or wages, and if a second municipal corporation imposes a tax on that income or wages after the time period allowed for a refund of the tax or withholding paid to the first municipal corporation, the second municipal corporation shall allow a nonrefundable credit, against the tax or withholding the second municipality claims is due with respect to such income or wages, equal to the tax or withholding paid to the first municipal corporation with respect to such income or wages.
- E. If the tax rate in the second municipal corporation is less than the tax rate in the first municipal corporation, then the credit described in paragraph (D) of this section shall be calculated using the tax rate in effect in the second municipal corporation.
- F. A claim for refund or credit under this section shall be made in such manner as the Administrator may by regulation provide.

SECTION 16. SAVING CLAUSE

This Ordinance shall not apply to any person, firm or corporation, or to any property as to whom or which, it is beyond the power of Council to impose the tax herein provided for. If any sentence, clause, section or part of this ordinance, or any tax against or exception granted any individual or any of the several groups of persons, or forms of income specified herein, is found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall affect only such clause, sentence, section or part of this ordinance and shall not affect or impair any of the remaining provisions, sentences, clauses, sections or other parts of this ordinance. It is hereby declared to be the intention of the Council of the Village of Ft. Recovery that this ordinance would have been adopted had such unconstitutional, illegal, or invalid sentence, clause, section or part thereof not been included herein.

SECTION 17. COLLECTION OF TAX AFTER TERMINATION OF ORDINANCE

- A. This ordinance shall continue effective insofar as the levy of taxes is concerned until repealed, and insofar as the collection of taxes levied hereunder and actions or proceedings for collecting any tax so levied or enforcing any provisions of this ordinance are concerned, it shall continue effective until all of said taxes levied in the aforesaid period are fully paid and any and all suits and prosecutions for the collection of said taxes or for the punishment of violations of this ordinance shall have been fully terminated, subject to the limitations contained in Sections 11 and 12 hereof.

- B. Annual returns and payments due for all or any part of the last effective year of this ordinance shall be due on the date provided in Sections 5 and 6 of this ordinance as though the same were continuing.

SECTION 18. STUDENTS
