

December 2, 2014

The weather cooperated over the holiday weekend and allowed many people to get out and get their yards cleaned up and leaves to the street for curbside pickup. We are going to wrap up the leaf season this coming Monday, December 8th. This will be the last day village crews will be around to do curbside pickup as we will need to prep the truck for snow removal weather. Please make sure that your leaves are curbside by early Monday as we will make one last trip around town. Anything cleaned up after that date will need to utilize Maharg Yard Waste bags. We appreciate everyone's cooperation.

It should also be noted that the final brush pickup was this past Monday and we will likely not be picking up branches and other brush again until spring weather arrives.

We continue to work on some plans for improving our sanitary lagoon system and will be meeting with the Ohio EPA to discuss these plans in the next few weeks. More information will follow in upcoming Tuesday Talks.

Don't forget the Mayors Christmas Lighting & Decorating Contest. All village properties are eligible and will be judged the evening of Tuesday, December 23rd. Merchant gift certificates will be awarded to the top three places.

As stated in prior blogs, Village Council meets the 1st and 3rd Monday of each month at 7:30 pm in the village offices at 201 S. Main Street. You are always welcome to attend and see what is going on with the village and share any problems and/or suggestions or just sit and listen. If you need immediate attention to any type of village concern, please call or stop by and see me at the village offices.
